

Have you visited Bhutan?

The land of Thunder Dragon. The Land of Happiness!

Do not miss out on a life time experinece.

Experience a classic blend of tradition, culture and a few taste of modernity.

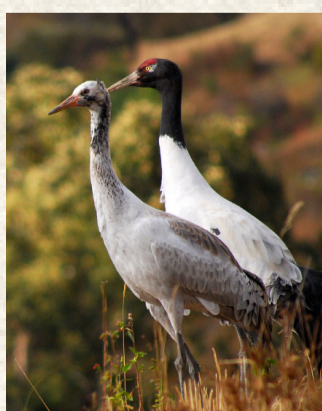

Why visit Bhutan?

- A life time experience, unique in every way.
- A place which is not easily accessible.
- The last Buddhist Kingdom.
- A Kingdom where democracy was "forced" on the people.
- A young and vibrant democracy is taking root since 2008.
- Where the constitution mandates that the forest cover has to be maintained at least 60% for all time.
- One of the ten hotspots for global biodiversity.
- The Gross National Happiness is the goal of development rather than Gross Domestic Product.
- The only capital which does not have any traffic lights.
- Where culture, tradition, environment coexist with development.

Allow Bhutan Upward Travels to introduce you to a life time experience of treks, culture, study, tradition and nature. You will start to inhale the purity of air, serenity of the surrounding and the beauty of the place the minute you land in Paro airport.

Bhutan Upward Travels wants to give you the value for your money, take care of your special needs and not only meet your expectations but exceed in every way.

Please contact us for your trip to Bhutan and be our guest of honour.
